8. Tourism Attractions & Excursions

Dear Fellow Golfers,

It was with great pleasure that we received the news of the ESGA Board, in Waterloo (2010), which had assigned to Portugal, through the Portuguese Seniors Golf Association, the organization of the XXXIII European Senior Golf Association Championship, to which we had compete.

Our first concern was to choose the venue for the event in our country which is a recognized golf destination. We decided on the Algarve, considered one of the best golf destinations in the world.

We would like to welcome all teams, members of ESGA, at the golf courses of the Pestana Golf Resort, Vale da Pinta and Gramacho, located in Carvoeiro \ Algarve, to this great ESGA journey.

We assure that we will do everything to retain this championship in the memory of all participants.

Welcome to Portugal,

António Rebelo

President of the Portuguese Seniors Golf Association

Vale da Pinta Golf Course

The characteristics of Gramacho Golf Course

6.1 | Gramacho Golf Course

HOLES: 18

PAR: 72

DISTANCE: 6,107 M

INAUGURATED: 1991

After his success designing the Vale de Pinta course, Ronald Fream teamed up with the former world No. 1 Nick Price to create the unique design of Gramacho. With 18 holes and 27 greens, plus numerous different tee points, players are able to enjoy the same course time and time again but always with slightly different challenges.

Having hosted the Portuguese Ladies Open on a number of occasions Pestana Gramacho is recognized as a championship course enjoyable and playable even by those with a higher handicap.

Apart from the fantastic golf design, Ronald and Nick managed to incorporate the traditional landscape by utilizing the natural stone outcrops, historical dry stone walling and existing ancient trees with some artfully sculpted lakes and bunkers. The effect is a wonderful journey through the countryside.

The characteristics of Vale da Pinta Golf Course

6.2 | Vale da Pinta Golf Algarve

HOLES: 18

PAR: 71

DISTANCE: 6.127 M

INAUGURATED: 1992

The 8 times consecutive host of the European Seniors Tour Qualifying final, Vale de Pinta golf in the Algarve, is rightly respected not just for its playability and challenging layout but for outstanding levels of beauty and enjoyment. Designed by the famous American golf course architect Ronald Fream and inaugurated in 1992 Vale de Pinta has earned its place as one of the best designed courses in the Algarve and in Europe.

Imagine the fairways of Bermuda grass, strategically placed sand bunkers, and greens clad in Pen Cross Bent grass. Not to mention ornamental lakes in a rolling terrain dotted with carob, fig, almond and olive trees (including one olive tree over 1200 years old!).
